Examination rules (South Kanara)- Unpassed clerks- Increments in the time scale- T. Srinivasa Rao-Memorial.

E.Regr. No. 3780/25.....

-:-

Endorsement.-E 3780/25-B 24 8 25

The policy of the Board in the matter of granting increments to unpassed clerks under para 4 of G.O.No. 164 Law (Education) dated 4-2-25 is to permit only such of them to rise in the time scale as have been certified by the Collector, from his personal knowledge, to possess real ability, industry and drafting capacity. The Board has found it necessary to insist on applying this standard strictly in order to prevent incompetent men from rising to the top of the scale and being found unfit to do the more responsible clerical work expected from men on such pay. Tahsildars and even Revenue Dvl.officers in many cases have been found to display an entire lack of conscience in their recommendations. As the Collector's endorsement on the petition in the present case was general and did not indicate any personal knowledge on the part of the Collector and did not specifically state that the petitioner possessed these qualifications, the Board [illegible]

recommend the case to Government.

The Board has in a number of cases exempted men to whom it previously refused exemption after Collectors have testified from their personal examination of the clerks and their work that they consider they are really fit for more important work, involving noting and drafting.

In the present case, the Board is prepared to take similar action if the present Collector makes such a recommendation.
